

## Building Each Other Up in Love and Learning

10th January 2022

Dear Parents/Carers,

We hope that you and your families have had a restful break over the festive period and that your children are ready and keen to start their second academic term in Year 2! As a staff team, we cannot wait to get back to teaching the children and enjoying this journey with them together.

### Reading

It is impossible to over emphasise the positive impact that reading has on your child's education and development. This key life skill, when learned and enjoyed at an early age, will improve your children's independent writing, expand their vocabulary, broaden their viewpoint on life, improve their concentration and expand their imagination. For these reasons, we would ask that you devote a little time each day for reading together with your child. Whatever form these sessions take: whether you share a book, take it in turns to read, listen to your child read or you are there to pose questions about what has been read, this is one of the best ways you can help your child flourish as a learner!

**Please can you ensure that your child's reading record is signed every evening by a parent or guardian. Children should be reading at least 20 minutes a day.**

### Accelerated Reader

The website to log on to is: <https://ukhosted59.renlearn.co.uk/6712885>

The child's user name comes from the initial of their first name and then the first 4 letters of their surname.

Eg: Beth Smith would be bsmit

### Spelling

We really value your support in helping your child to learn the spellings which they bring home on a weekly basis. Opportunities are given during the school day for the children to learn these spellings, either on their own or with a 'spelling buddy'. We encourage you to check that your child is completing these weekly spellings, accessing Spelling Shed and rehearsing their new words each evening ahead.

### Times Tables Rock Stars

The website to log on to is: <https://play.ttrockstars.com/auth/school/student>

The child's username is their surname with a capital letter. All children have been given their passwords confidentially.

**Please encourage your child to complete at least 15 minutes of TTRS each day.**

### Google Classroom

The Year 2 Google Classroom will be a hub for everything the children need to support them with their learning this academic year. Please encourage your child to check this frequently to ensure they utilise all of the resources there. Children have joined their new classroom in school already and have all secured access to this.

**RUGBY FOOTBALL UNION**

St Stephen's CE Primary School  
is a member of the RFU Education Partnership

### Homework

Homework will be set on a Monday and will need to be completed by the following Monday so that teachers can mark the work that your child has completed and assign new homework which is targeted to what they need. You will be able to find weekly homework published on your child's Google Classroom so that it is clear for everyone what they must complete that week.

In our new homework policy, children in Year 2 will be completing an additional piece of homework to support their learning of grammar.

### Timetable

You will have access to your child's weekly timetable for the Spring Term on their Google Classroom, however please do be aware this is changeable week on week depending on trips, visitors etc.

### PE and Games

Our PE and Games are as below. Please may we ask that children attend school on these days in their St. Stephen's PE kit with spare trainers in a separate bag in case of wet and muddy weather. A waterproof jacket and a water bottle should also be available at all times in school but specifically on these days.

- Monday (Games)
- Wednesday (Swimming - start date to be confirmed)

If your child has a sports club before or after school, they **must** change into their school uniform when it is not PE or Games days. **School uniform includes school shoes and not trainers.**

### Communication and Dates

As always, if you have any concerns, worries or just want a quick informal chat, please do not hesitate to get in touch with either of us via the [year2@st-stephens.richmond.sch.uk](mailto:year2@st-stephens.richmond.sch.uk).

We very much look forward to the academic year ahead!

Kindest Regards,

Mrs O'Connor and Miss Wells
