

Dear Parents/Carers,

Please find below the Google Meet link/s for your child/ren ahead of your Parent Teacher Consultation.

On the evening of your appointment, your child's teacher will have to admit you into the meeting. If you do not gain admission straight away, please do not leave the meeting or assume it has not worked. It may be that you have simply attempted to join the meeting before a trusted member of the St. Stephen's domain name has or that the class teacher is still on another call. Please wait a minute or two and then attempt to rejoin.

Appointments are scheduled to be ten minutes long and we appreciate your understanding and support in keeping to your allocated ten minute time slot. If for any reason you find you require more time than this, please contact your child's class teacher via their year group email address to schedule a further appointment.

We are aware that it could be possible that you do not have access to the internet at home, or an electronic device which will support this year's Virtual Parents Evening. If so, please call the school office to notify them that alternative arrangements will be required. Please note: Google Meet is compatible on smartphones as well as laptops and PC's, simply download the app from your smartphone's app store.
