Building Each Other Up in Love and Learning

Monday 13th September 2021

Dear Parents/Carers,

We hope that you and your families have had a restful break and that your children are ready and keen to start their new academic year. As a staff team, we are already looking forward to the excitement and new opportunities which getting to teach a new class of children brings - especially after all that has happened in 2021 so far!

Religious Education and Worship

This year we are excited to continue with our new school values. These are: friendship, thankfulness, kindness, forgiveness, respect (for the environment), service and peace. Each year group has been allocated with a spiritual value. During RE lessons and Class Worship time children will have the opportunity to learn and reflect upon their value using a range of resources, such as Biblical stories and verses, world news and events, and personal experiences.

The children will also be encouraged to take ownership of their year group value by thinking about how it could be implemented into the school and wider community, for example raising money for charities or helping the school to be more eco-friendly.

The spiritual value for Year 3 is forgiveness.

Reading

It is impossible to over emphasise the positive impact that reading has on your child's education and development. This key life skill, when learned and enjoyed at an early age, will improve your children's independent writing, expand their vocabulary, broaden their viewpoint on life, improve their concentration and expand their imagination. For these reasons, we would ask that you devote a little time each day for reading together with your son or daughter. Whatever form these sessions take: whether you share a book, take it in turns to read, listen to your child read or you are there to pose questions about what has been read, this is one of the best ways you can help your child flourish as a learner!

Accelerated Reader

Accelerated Reader is a great way for us to monitor that your child is reading books that are an appropriate level for them. Please ensure that once they have finished reading a book independently, they complete the quiz for it. The website to log on to is: <https://ukhosted59.renlearn.co.uk/6712885>

The child's user name comes from the initial of their first name and then the first 4 letters of their surname.

Eg: Jane Smith would be jsmit

Spelling

We really value your support in helping your child to learn their spellings. Opportunities are given during the school day for the children to learn these spellings. We encourage you to check that your child is accessing Readwriter and rehearsing their new words each evening ahead of the spelling tests they will receive in class.

Maths

This year we are extremely lucky to have adults working in the team across Year 3 who will be available to support teaching in maths. Consequently, we will be having morning and in school interventions to ensure rapid and sustained progress for all children. We will use the data given to us by the year two teachers in conjunction with our own, new assessments of the children to determine what interventions they may require. If you have any queries or worries about this, please do contact your child's class teacher.

Times Tables Rock Stars

Times tables are a big focus in Year 3 and by the end of the year we would like them to be fluent in the 4s, 8s, 3s, 6s, 9s and 7s. Children will complete a baseline 'gig' on TTRS which will automatically determine which tables they are set based on their fluency.

The website to log on to is: <https://play.ttrockstars.com/auth/school/student>

Google Classroom

The new Year 3 Google Classroom will be a hub for everything the children need to support them with their learning this academic year. Please encourage your child to check this regularly to ensure they utilise all of the resources there. Should you require any of the documents on the classroom to be printed out, please contact your child's teacher who will be able to arrange this for you.

Homework

This year all homework will be completed online via the Google Classroom and other online platforms that your child is already familiar with (Readiwriter, Mathletics, TTRS, Accelerated Reader etc.). Homework will be set on a Monday and will need to be completed by the following Monday so that teachers can check the work that your child has completed and assign new homework which is targeted to what they need. You will be able to find the weekly homework timetable on your child's Google Classroom so that it is clear for everyone what they must complete that week.

Timetable

You will have access to your child's weekly timetable for the Autumn Term on their Google Classroom, however please do be aware this is changeable week on week dependent on trips, visitors etc.

PE and Games

Our PE and Games are as below. Please may we ask that children attend school on these days in their St. Stephen's PE kit with spare trainers in a separate bag in case of wet and muddy weather. A waterproof jacket and a water bottle should also be available at all times in school but specifically on these days.

- PE - Monday 3BC, Friday 3M
- Games - Wednesday for both classes

Please note, from the 29th September the children will be having swimming lessons at Pools on the Park every Wednesday. You will receive more information about this closer to the time.

Communication and Dates

As always, if you have any concerns, worries or just want a quick informal chat, please do not hesitate to get in touch with us via the year3@st-stephens.richmond.sch.uk.

We are very much looking forward to the academic year ahead!

Kindest Regards,

The Year 3 Team
