

ST STEPHEN'S SCHOOL LETTINGS POLICY

1. Introduction

The Governing Body regards the school buildings and playground as a community asset and will make every reasonable effort to enable them to be used as much as possible. However, the overriding aim of the Governing Body is to support the school in providing the best possible education for its pupils, the promotion of equality of opportunity and the community cohesion of the local area. Any lettings of the premises to outside organisations will be considered with this in mind.

2. Definition of a letting

A letting may be defined as:

Any use of the School and the Hall for activities other than those listed below:

The following activities fall within the corporate life of the school. These activities are not considered to be lettings. Costs arising from these activities are therefore a legitimate charge against the school's delegated budget:

- Governing body meetings
- Extra-curricular activities for pupils organised by the school
- School performances
- Family learning
- Parents' meetings
- Meetings of the PTA
- PTA organised events
- Clubs run by the School or by people who work at the School for the pupils of the School

All these are called "School Lettings"

3. Priority for lettings.

The following lettings are especially encouraged:

- Educational activities open to school pupils and their families
- Recreational activities open to school pupils and their families
- Activities organised by local community groups for the benefit of the local community
- Lettings to parents attached to the school
- Lettings to people living in the school's local community
- Lettings to voluntary organisations
- Lettings to parent support groups

- Lettings to self-help groups
- Lettings to people with a disability
- Lettings to low income groups
- Lettings to children's groups
- Lettings youth groups
- Lettings to clubs for pupils of the school other than those run by the School or by people who work at the School

4. Types of Lettings & Charges

The Governing Body has agreed to authorise lettings and charges under the following categories:

- School Lettings : No charge
- Any Lettings for community activities other than School Lettings but including those lettings listed in paragraph 3 will be charged on the basis of full cost recovery. That is:
£20/hour for Hall, £10/hour for classroom, £5/hour for playground.
- Commercial lettings will be charged at cost plus an income margin for the school. That is:
£30/hour up until 10pm and then £50/hour for every hour afterwards up until midnight.

If the kitchen is required for cooking/heating up food and/or dishwasher is used there will be an additional charge of £100 per event. If the kitchen is purely used for preparation there will be no charge.

A returnable deposit of £250 will be required before the event from all hirers who use the Hall outside school hours. This is a surety against damage to the premises (including any equipment) or the premises being left in an unacceptable condition necessitating the school incurring additional costs for cleaning, caretaking or other expenses. If there are no breakages, damages or extra cleaning the cheque will be returned after the event.

The scale of charges will be reviewed annually by the Governing Body for implementation from the beginning of the next financial year, with effect from 1st April of that year. Details of current charges will be provided in advance of any letting being agreed.

For the purpose of charging, the Headteacher is empowered to determine to which group any particular individual or organisation belongs. The Headteacher is also empowered to offer any discounts or agree a subsidy for any lettings, as she deems appropriate. The basis of charging will be determined by the purpose for which a letting is arranged.

The minimum hire period will be one hour.

5. Letting times, available facilities and equipment

These are set out in the Standard Letting Conditions for use of school premises (attached).

6. Conduct of users

This is set out in the Standard Letting Conditions for use of school premises (attached).

7. Security & Safeguarding

The Headteacher has delegated authority to determine the security risk for each letting and will be responsible for allocating a continuous security presence or other control measure. If the caretaker is required to be present there will be a charge for his attendance.

A safeguarding induction will be provided before the letting takes place.

8. Management of lettings

The Governing Body has delegated day-to-day responsibility for lettings to the Headteacher in accordance with the Governing Body's policy. Where appropriate, the Headteacher may delegate all or part of this responsibility, such as security, child protection to other members of staff, whilst still retaining overall responsibility for the lettings process.

If the Headteacher has any concern about whether a particular request for a letting is appropriate or not, she will consult with the Chair of the Governors.

A report on lettings will be made to the Governing Body and will include information on users, finances, incidents and accidents, enquiries, and any lettings refused.

9. Considering applications for lettings

Organisations seeking to hire the school premises should approach the Headteacher or Mrs Foot. Details of charges and the Standard Letting Conditions should be given to the potential hirer.

A record of all enquiries should be kept on file.

The Headteacher will decide on the application having consideration to:

- The priorities for lettings agreed by the Governor Body and set out in the school's lettings policy
- The availability of the facilities and staff
- The school's equal opportunities, health and safety, child protection policies
- The health and safety considerations such as numbers of users, type of activity, qualifications of instructors etc.

10. Issuing a Lettings Contract

Once a letting has been approved, a letter of confirmation will be sent to the hirer, enclosing a copy of the Standard Lettings Conditions and the Lettings Contract.

The Lettings Contract should then be signed and returned to the school. The school must be in receipt of the signed Lettings Contract and of any payment due and of the deposit if applicable before a letting takes place.

Regular lets and Community leasees also need to provide a copy of their Public Liability Insurance before a letting can be agreed. One off, non-community lets are covered by the school insurance policy.

The person applying to hire the premises will be invoiced for the cost of the letting, in accordance with the Governing Body's current scale of charges. The school may seek payment in advance in order to reduce any possible bad debts and /or a deposit to cover damage. A guarantee card should support cheques wherever possible.

An official receipt will be issued for all payments received. All lettings fees received will be paid into the school's bank account. The income and expenditure relating to lettings will be clearly recorded by the school and reported under the guidelines for Consistent Financial Reporting.

The Headteacher on behalf of the Governing Body has the right to refuse an application, and no letting should be regarded as "booked" until approval has been given in writing and any payment or deposit due is received in full. The reason for refusals should be recorded on the bottom of the application for lettings form and fully explained to the enquirer.

Provisos

23. The Governors will not be responsible for any damage or injury caused to any person whilst using the Hall unless such damage is solely attributable to their negligence. The Hirer will indemnify the Governors against any such damage and will ensure that they have third party liability insurance sufficient to meet any claim against the Hirer which may arise from the Hirer's use of the Hall and evidence of this must be shown at the time of booking. The Hirer and those authorised by the Hirer shall be deemed to be aware of the state and condition of the Hall and shall take all care in using it.

28. The Deposit will be refunded (less any sums due to the Governors) within 1 month of the last Letting Period.
29. If the Hirer breaches any of these terms the Governors may with or without any warning by written notice terminate with immediate effect any or all Lettings to you.
30. If any person who uses the Hall during a Letting has caused damage to the Hall or has occasioned a breach of these terms in respect of any other Letting to any other Hirer then by written Notice to you the Governors may require that such person is excluded by you from the Hall during your Letting.
