

Dear Parents/Carers,

First of all, the Year Six team welcome your children back to school and hope that you all had a good Christmas break and that you are all ready for the term ahead!

Curriculum

Attached to the end of this letter is an outline of what Year Six will be covering in the curriculum this term. There will also be a variety of different school trips we will be taking the children on to support and enrich their learning. Information regarding these can be found on the school website as letters were sent out at the end of Autumn Term.

Homework

Please see below for the rotation of homework for this term. In addition to this, all children are to bring their reading records in to school daily to be checked. Your child can fill it in and you can initial it or sign it. They should be reading for at least 30 minutes a day at this age - this will support them through their school career and future life! If your child is a fluent reader, it is important that you still listen to them read at least once a week; if your child is a reluctant reader, you can alternate listening to them read with you reading to them - this is also very beneficial. Because this is so very important, if your child doesn't bring in their reading record, we will be keeping them in at break time to read.
