ST. STEPHEN’S NEWS

**St. Stephen’s Bake Off Bonanza**
Another year and another bounty of mouth-watering delights! Once again the whole school wowed the judges with an array of baked goods...Click [here](#) for a flavor of the day...

**Be safe online this half term.**
Hopefully most of our children will be out enjoying the last of the mild weather this half term, but for those who also enjoy digital entertainment, please click [here](#) for the latest guidance...

**Odd Socks Day kicks off Anti-Bullying Week Nov 12th**
This year's Anti-Bullying Week has the theme Change Starts With Us and starts with [Odd Socks Day](#) on November 12

**Parents needed for Tommy’s Charity run**
Mrs Howes’ [fundraising run](#) takes place on Thursday 7th November – everyone to come in wearing PE Kits...
Hello from FOSS

Thank you so much to everyone who supported the Indian Supper Club event and the Great St Stephens Bake Off. Both events have grown on last year, which is a great start to our fundraising for St Stephen's this year. See below for more details about these events.

There's more to come! Your children have been working really hard on Christmas card designs and you will soon receive their proof in school bookbags for you to order if you wish to. Watch this space for more FOSS event news for the rest of the term, including the Christmas market, Crown Road Christmas fair, and the children's disco.

Money raised by FOSS is already having an impact on our children's education. Already this term, FOSS money has paid for Stuart Lawrence to speak to the children as part of the schools show Racism the Red Card day, an impressive art project as part of Black History Month and purchased new tablecloths for the canteen. This is of course on top of regular projects FOSS pays for.

Don't forget to join us on 12th November for our first online FOSS meeting - more detail to follow after half term.

In the meantime - have a great half term week!

Take care, The FOSS Team

A Successful Supper Club

Our second Indian Supper Club evening was a great success serving 4 starter courses from different regions of India. As ever, the food was outstanding - thank you to Sheetal Arora of Homemade Curries for cooking up a feast! Click here for pics.

Another Brilliant Bake Off

Wow was the word of the day on Monday as the amazing cakes / biscuits and sweets poured through the doors of the Winchester Hall. Click here for more...

Have a safe and fun Half Term!
Watch your speed. Your son does.
