FOSS NEWS

Hello from FOSS

Thank you to everyone who joined our online meeting on Tuesday. A big sigh of relief that we didn't have any technical glitches and it wasn't as scary as I thought it was going to be! See below for an overview of what we discussed and the slides presented.

Please remember to order your Tea Towels and Christmas Cards by 17th November from www.pta-events.com/foss.

Lot's of lovely Christmassy stuff coming up – our Festive FOSS Singalong, Christmas Market and a Christmas Jumper Sale! We'll also be holding our second Lost Property Second Hand Uniform Sale.

Thanks so much, the FOSS Team xx

The Real Science Club

A unique club which has run for many years to enable children from local schools to enjoy the wonder of hands-on science, will be restarting after half term on Saturday mornings in Whitton.

The club is for children in Years 5 and 6 only. Children carry out real experiments by themselves (under supervision) with real equipment and materials.

If you are interested please contact Dr Averil Horton directly averil@alpha2omega.co.uk 07973 898 547 for further details and an application form.
