

Web sites for Parents on E-Safety

From the Child-net school awareness program, really good seminar for parents, which could be used in a parents meeting, also an excellent section on filters <http://www.kidsmart.org.uk/parents/advice.aspx>

From childnet, including Interactive presentations

<http://www.childnet-int.org/safety/parents.aspx>

From BT

www.broadbandsecurity.bt.com/img/teacherparentguide.pdf

From The BBC

<http://www.bbc.co.uk/chatguide/parents/index.shtml>

From Internet safety awareness project supported by the European Union Safer Internet Action Plan

http://www.besafeonline.org/English/safer_use_of_services_on_the_internet.htm

From NCH <http://www.nch.org.uk/information/index.php?i=209>

Practical guidance and links for keeping safe online.

<http://www.getsafeonline.org/>

From the Home Office ☐ Comprehensive resource for Parents. The area on handling bullying via mobile phones is particularly useful, with how to make contact to all the network providers.

<http://www.internetsafetyzone.com/>

From the parents centre

<http://www.parentscentre.gov.uk/usingcomputersandtheinternet/>

Tips on keeping safe when using BEBO
<http://www.bebo.com/SafetyTips.jsp>

Very good parents area, as well as resources for children and teachers.
