## Getting Started with Google Classroom - Student Guide

Hello! Great to have you in       . For this class we will be using Google Classroom.

<http://classroom.google.com>

Please sign in with your "LGLFUsername.313/314/318@domain.com"

You will find the class assignments, instructions, and feedback in Google Classroom.

To get started go to <http://classroom.google.com> and click in the upper right hand corner the plus icon and use the join code:

**“Class Code”**

The way to access your work is to go to [classroom.google.com](http://classroom.google.com) and locate the class tile. This will take you to the class Stream.

Google Classroom is designed to be organized on the Classwork tab. Please click on Classwork to find the organised list of activities and assignments.

I number all the activities in Google Classroom. Please go to the **BOTTOM** of the Classwork page to find the first activity.

Filter the topics by clicking on the topic title. I recommend you do this. As you are working on Week 1, only look at week 1 activities.

Due Dec 9, 2019

Click on assignment stripe to preview

Click on "View assignment" to view the full directions.

TIP: Hold down the CONTROL key when you click on "View assignment" to open assignment in a new tab. This way you can close the assignment when completed and easily go back to the Classwork page.

From the assignment screen, look at the right hand side. There is a "Your Work" bubble. This is where you can submit screenshots or work samples. But please, ALWAYS **Mark as done** (or Turn in).

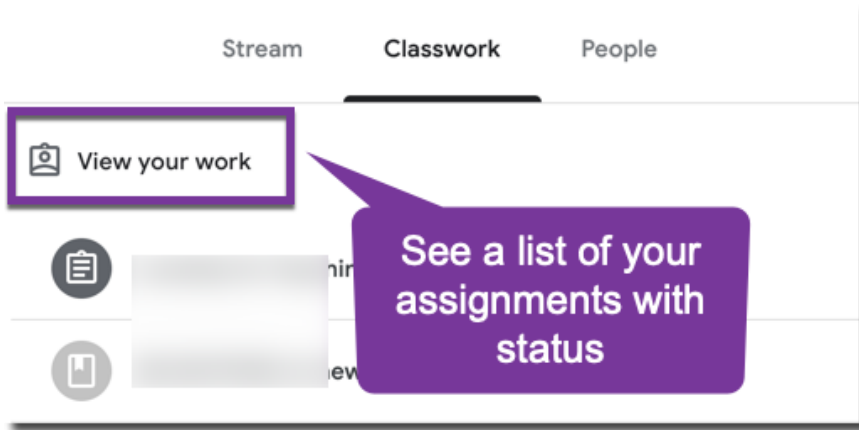

Please also, leave a private comment in the bottom right bubble. This goes ONLY to the teacher. Start your private comment with my name to indicate that you would like me to respond.

Look at the icons on the assignment stripes, if they are lighter it means you have MARKED AS DONE or TURNED IN. The darker icons indicate you still need to turn in that activity.

	#105 Create Parent Corner		No due date
			No due date
	#103 Do Not Copy Classes	Optional	No due date

Greyed out = turned in

Please be in the habit of checking "View your work" at the top of the Classwork page. This will show you which assignments you have completed. You can also filter for missing assignments.

OR on the class Stream, look for the upcoming work bubble. Click on "View all" to find your assignment list.

An essential part of the Google Classroom workflow is to RETURN the assignments. This lets you know I have reviewed the submission. I will return everything. I often leave a note when I return, you will receive an email notification of these. The note I leave will be in the Return email so you do not have to go to Google Classroom to read the note. Feel free to delete these emails once you have seen the note.
